

2020 Bright Summer Days

Bright Summer Days offers an array of experiences and explorations for our young students in both the indoor and outdoor environments. Children will socialize with peers and engage in planned activities in an environment that invites curiosity and discovery. Activities include sand and water play, paint and play dough, singing and reading, drawing and constructing.

Our wonderfully creative and nurturing staff will facilitate our summer school classes. We offer a class for the multi-age and a class for the Year before Kindergarten children (students who attended Bright Days in the past and will be entering first grade in the fall of 2018 are also eligible to attend summer school).

Our summer program consists of twelve weeks in June, July and August. Your child will register by the week(s) you choose. Enrollment options include a 2-day/week (Monday, Friday), 3-day/week (Tuesday, Wednesday, and Thursday) or 5-day/week (Monday-Friday) schedule.
